

A Message from our President

November, 2009

I would like to extend our sincere thanks to our customers and friends who continue to support Liquidyne. We appreciate the opportunity to provide product and solutions designed for your fluid transfer needs.

Liquidyne has been fortunate to experience growth in 2009. We launched several new products as well as in-house services which have increased our sales and opportunities. We are committed daily to continually improving our company and product offerings to support your future requests.

From our family to yours we wish you an enjoyable and satisfying Thanksgiving. Best Wishes,
Chris Couper

We hope you find our emails informative and useful, if you have suggestions or topics you would like covered please forward them to ccouper@liquidyneUSA.com.

On the WEB

Many of you have told us you visit website to research product, documentation and solutions. With this in mind, we are continually adding resources on products and improving the visibility of documentation designed to help in your decision making process.
