

## BIOTECH & PHARMACEUTICAL

Liquidyne focuses on the needs of bio-technology and pharmaceutical companies. We provide technologically advanced and competitively priced products and assemblies to solve your business requirements.

Founded in 1993, Liquidyne offers products and services based on our personal involvement in manufacturing & packaging utilizing our long standing relationships with top manufacturing companies globally.

### *Our commitment to you*

Liquidyne provides superior knowledgeable service, quality products and innovative solutions. We do this by:

- Focusing on your unique requirements to provide lower cost of ownership, provide consistent results and increase productivity.
- Promoting products and solutions which put the user and plant safety 1<sup>st</sup>.
- Providing customer-driven solutions partnering with industry leading manufacturers and dedicated in-house fabrication and testing.
- Maintaining inventory in our warehouse to provide quick turns on standard and customer-specific products.

#### **FABRICATION**

Manifolds/Parts in SS, Alloy & Plastic  
Sanitary Hoses & Tubing

#### **SUPPORT**

Hydro-testing Components & manifolds  
Site Inventory Management

#### **CLEAN ROOM**

Sanitary & Single-Use Manufacturing  
Packaging

#### **PRODUCTS**

Custom Manufacturing  
Large Stock2Dock© Warehouse

# LIQUIDYNE™

PROCESS TECHNOLOGIES, INC.

Innovative products for fluid transfer, measurement & control

## PRODUCTS

### Flexible Tubing

Silicone	C-Flex®
PTFE, FEP, PFA	BarbLock®
PVC	PureFit® SIB®
PureFit® Tru Valve®	PVDF
Sani-Link®	PharMed® BPT
SaniPure™ 60 & BDF™	ULTRA®

### Hose Assemblies

Silicone	Metal
PTFE, FEP, PFA	Electrically Heated
EPDM	Re-usable Fittings
Rubber	Receiving hoses
PVC	Washdown hoses

### Pumps

Peristaltic	Hose Pumps
Centrifugal	Positive Displacement

### Tanks/Vessels

SS/Alloy	Coated/Lined
Polyethylene	Polypropylene
Kynar	

### Filters

Capsule	Cartridge
HollowFiber	Pleated
MicroFiber	Housings
RO membrane cleaner	

### Biotechnology

Bioreactors	Fermenters
Biomass On-line	

### Sampling Systems

Three60®

### Single-Use/Disposables

Reactors	Bags
Manifolds	Filtration

### Tube & Fittings in SS, Alloy, Plastic

Sanitary Clamp	BPE
Auto Weld	Butt Weld
I-Line	Large OD
Bevel Seat	

### Tube & Piping Accessories

Gaskets	Orifice plates
Hangers, Tube & Pipe	Tank Washers
Sight Glass	Thermowells
Tank/Process Lighting	Spray Balls

### Valves in SS, Alloy, Plastic

Tank Outlet	Diaphragm
Take-off	Ball
Process	Butterfly
Sample	Check

### Mixers

Bottom Mount	Magnetically Coupled
Top Mount	

### Instrumentation

Pressure	Flow
Temperature	Level
Process Imaging	pH, DO, ORP
UV/VIS/NIR	Indicators/Recorders

### Sterilants

Minnicare®	Actril®
Dry Fog®	

### Sterile Connectors

Pure-Fit SC®
