

FOOD & BEVERAGE

Liquidyne focuses on the food processing, dairy, brewery and wine operations. We provide technologically advanced and competitively priced products and assemblies to solve your business requirements.

Founded in 1993, Liquidyne offers products and services based on our personal involvement in manufacturing & packaging utilizing our long standing relationships with top manufacturing companies globally.

Our commitment to you

Liquidyne provides superior knowledgeable service, quality products and innovative solutions. We do this by:

- Focusing on your unique requirements to provide lower cost of ownership, provide consistent results and increase productivity.
- Promoting products and solutions which put the user and plant safety 1st.
- Providing customer-driven solutions partnering with industry leading manufacturers and dedicated in-house fabrication and testing.
- Maintaining inventory in our warehouse to provide quick turns on standard and customer-specific products.

LIQUIDYNE™

PROCESS TECHNOLOGIES, INC.

Innovative products for fluid transfer, measurement & control

PRODUCTS

Tube & Fittings in SS, Alloy, Plastic

Sanitary Clamp	BPE
Auto Weld	Butt Weld
I-Line	Large OD
Bevel Seat	

Tube & Piping Accessories

Gaskets	Orifice plates
Hangers, Tube & Pipe	Tank Washers
Sight Glass	Thermowells
Tank/Process Lighting	Spray Balls

Hose Assemblies

Silicone	Metal
PTFE, FEP, PFA	Electrically Heated
EPDM	Re-usable Fittings
Rubber	Receiving hoses
PVC	Washdown hoses

Pumps

Peristaltic	Hose Pumps
Centrifugal	Positive Displacement
Revolution®	

Tanks/Vessels

SS/Alloy	Coated/Lined
Polyethylene	Polypropylene
Kynar	

Valves in SS, Alloy, Plastic

Tank Outlet	Diaphragm
Take-off	Ball
Process	Butterfly
Sample	Check

Filters

Capsule	Cartridge
HollowFiber	Pleated
MicroFiber	Housings
RO membrane cleaner	

Instrumentation

Pressure	Flow
Temperature	Level
Process Imaging	pH, DO, ORP
UV/VIS/NIR	Indicators/Recorders

Flexible Tubing

Silicone	C-Flex®
PTFE, FEP, PFA	BarbLock®
PVC	PureFit® SIB®
PureFit® Tru Valve	PVDF
Sani-Link®	PharMed® BPT
SaniPure™ 60 & BDF™	ULTRA®

Mixers

Bottom Mount	Magnetically Coupled
Top Mount	

Sterilants

Minnicare®	Actril®
Dry Fog®	

Sampling Systems

Three60®
